PARENTS OF FAITH

SHARING – COMPASSION - FELLOWSHIP

Parents of Faith is a faith based group devoted to providing support to individuals traveling through the ups and downs involved with the loss of a child. As parents who have lost children through miscarriage, stillbirth, premature birth, accidents, illness, Cancer, unexplained death, and suicide, we have each experienced the many challenges that come with such a loss. This support manifests itself: ☑In our Christian belief that in time we will meet our loved ones again in Heaven. ☑In the sharing of our connection with our loved one through the Holy Spirit and God's promise that they are not gone, but with us. ☑In support groups as we share our struggles and triumphs. In social hours spent together remembering and sharing about those we love. ☑In continued support, we will help you with some of the difficult things you may encounter.
